

# Finishes

Antique Faux Lead

Shown on our Downing Street trough

Beaten Copper

The appearance of old weather-beaten copper

Aluminium Smooth

An authentic aluminium finish with the practicality of fibreglass

Aluminium Hammered

The same colour as Aluminium Smooth but with a light texture to the surface

Faux Lead

Retaining the character of lead

Faux Lead Textured

Mostly applied to Geometric planters to give a graphite colour finish

Old Penny Bronze Smooth

The Tarnished look of smooth bronze

Old Penny Bronze Textured

The Tarnished look of textured bronze

Weathered Terracotta

Has the appearance and warmth of weathered terracotta yet is light and frost-proof

Antique Terracotta

Bespoke hand finish giving an authentic antique appearance

Rust Aged Iron

The illusion of rust

Bronzage

A soft verdigris, old weathered bronze appearance shown on our Taj tank

Stone

Bath stone is our usual choice of finish but others may be specified

Smooth Granite

Available in 12 different granite colours

# Paint Finishes
